ODGOVORNI TURIZEM JE ZDAJ PRILOŽNOST NAŠIH GENERACIJ.

RESPONSIBLE TOURISM IS NOW THE OPPORTUNITY OF OUR GENERATION.

Postanite del vizije pri ustvarjanju zelene prihodnosti ter uporabite brezplačne in ugodne možnosti okolju prijaznih oblik prevoza. Zato vam priporočamo, da pustite svoje vozilo na enem izmed parkirišč v Biosfernem območju Julijske Alpe in svoj izlet nadaljujete peš, s kolesom ali z javnim prevozom.

Become a part of the vision of creating green future and use our free transport means that are friendly to the environment. Park your vehicle in one of the car parks in the Julian Alps Biosphere Reserve and continue your trip on foot, by bike or with public transport.

Številne označene planinske in pohodniške poti vam ponujajo nepozabna doživetja, skrita tistim, ki se vozijo po cestah.

Many designated mountaineering paths and hiking trails will provide you with a multitude of experience, unavailable to all who stay on roads.

Kolesarske steze in poti so urejene na območju Kranjske Gore, Jesenice, Radovljice, Bleda in Bohinja. Stranske ceste, odmaknjene od glavnih prometnic, so kolesarjem posebno ljube. V vsakem večjem turističnem centru vam je na voljo izposoja kolesa.

Cycling routes and tracks are available in the area of Kranjska Gora, Jesenice, Radovljica, Bled and Bohinj. Side roads, away from the main transport routes, are extremely popular. Large tourist centres offer bike rental.

Na javnih prevoznih sredstvih je obvezno nošenje zaščitnih mask.

Organizatorji spremjamajo razmere v zvezi s koronavirusom ter sledimo navodilom Ministrstva za zdravje in Nacionalnega inštituta za javno zdravje.

Face masks are mandatory on public transport.

The organisers are closely monitoring the COVID-19 situation and ensure compliance with the guidelines of the Slovenian Ministry of Health and the National Institute of Public Health.

Poleg rednih avtobusnih linij, ki Biosferno območje Julijskih Alp povezujejo z večjimi mesti (Kranj, Ljubljana, Nova Gorica), območje lahko raziščete s poletnimi organiziranimi prevozi.

Panoramska in zgodovinska Bohinjska železniška proga med Jesenicami in Novo Gorico ponuja doživetje dveh svetov – alpskega in submediteranskega. Posebnost proge je možnost »vkrcanja« z avtomobilom.

In addition to regular bus routes connecting the Julian Alps Biosphere Reserve with large towns and cities (Kranj, Ljubljana, Nova Gorica), the area can be explored on summer tourist buses.

The panoramic and historical Bohinj Railway Line between Jesenice and Nova Gorica enables visitors to experience two different worlds – the Alpine and the Submediterranean. A special feature of this railway line is that your car can be loaded onto the train for a section of the route.

For national park visitors

Upoštevanje pravil in priporočil ravnanja v zavarovanem območju je dobro sprejeto, saj priomore k osnovnemu poslanstvu narodnega parka – za potomce ohraniti izjemno naravo tega neprecenljivega gorskega sveta. Pravila in priporočila ravnanja in vedenja v narodnih parkih so povsod po svetu zelo pomembna. Varovati in ohraniti izjemnost, prvobitnost in edinstvenost pojavov, ki jih država prepoznavata kot tiste, ki jih je treba nujno ohraniti za prihodnje rodove. Velika večina obiskovalcev Triglavskega narodnega parka ta pravila razume in jih tudi dosledno spoštuje. Več na www.tnp.si

VARNO V GORE

SAFELY TO THE MOUNTAINS

Triglavski narodni park je edini narodni park v Sloveniji. V tem čudovitem in občutljivem naravnem okolju in kulturni krajini smo obiskovalci le gostje. Dobrodošli!

Triglav National Park is the only national park in Slovenia. Visitors are only guests in this beautiful and sensitive natural environment and cultural landscape. Welcome!

Bodite nemoteči obiskovalci. Mir in tišina naj bosta privilegij prebivalcev in obiskovalcev.

As respectful visitors, make sure the area remains a place of peace and quiet for residents and visitors.

Vreme se v gorah hitro spreminja. S seboj vzemite rezervna oblačila. Obujte primerne čevlje. Na turo se podajte primerno telesno in psihično pripravljeni z zadostno količino vode. V primeru nesreče kličite 112.

Weather in the mountains is very changeable. Make sure the tour is suitable to your physical and mental fitness. Bring a change of clothes, wear hiking shoes, and carry an adequate supply of water. In case of an accident call 112.

Svoje vozilo pustite na označenih parkirnih mestih. Uporabljajte javni prevoz. Pred odhodom si priskrbite tiskan zemljevid.

Leave your vehicle in a designated car park. Use public transport. Bring along a paper map.

Občutljivo naravno okolje zahteva pozornega obiskovalca, zato hoja zunaj označenih poti ni priporočljiva. Na izpostavljenih delih je velika možnost zdrsa. Za vzpone v visokogorje priporočamo spremstvo gorskega vodnika.

Attentive visitors appreciate the fragile natural environment and keep to designated trails. High risk of slipping on steep terrain. Hiring a mountain guide is recommended for high-altitude hikes.

Prenočevanje izven za to določenih mest ni dovoljeno. V planinskih kočah je na voljo dovolj ležišč. Visokogorska jezera in potoki so občutljivi in ranljivi živiljenjski prostori, kjer kopanje ni dovoljeno.

Visitors are not allowed to spend the night outside designated areas. Plentiful accommodation is provided at mountain huts. High-altitude lakes and streams are sensitive and fragile habitats where bathing is not allowed.

VAŠ KORAK JE POMEMBEN. NE ZAHTEVA VELIKO, POMENI OGROMNO.

YOUR STEP MATTERS. IT DOESN'T TAKE MUCH, BUT MAKES A GREAT DIFFERENCE.

Naj vas narava zapelje - Bohinj

Z javnim prevozom želimo prispevati k manjšemu onesnaževanju zraka v občutljivem alpskem okolju, obvarovati rastlinstvo, zmanjšati hrup in se izogniti problemom gostega prometa in parkiranja. Javni prevoz nudi obiskovalcem več časa za opazovanje narave in hkrati omogoča, da se ni treba vračati na isto izhodišče.

Moved by Nature - Bohinj

It is hoped that the introduction of public transport will help control air pollution in the sensitive alpine environment, protect its flora, reduce noise, and avoid traffic congestion and parking issues. Moreover, visitors using public transport have more time to observe the beauty of nature as there is no need to return to the original starting point of their route.

Kartica Julijske Alpe in trajnostna mobilnost

Julian Alps Card and Sustainable Mobility

Raziskovanje in potepanje po Biosfernem območju Julijske Alpe je najbolj enostavno in dostopno s karticami Julijske Alpe Bled, Bohinj, Dolina Soče in Radovljica. Vse štiri kartice, ki jih pridobjijo gostje naštetih destinacij, ponujajo številne ugodnosti, popuste in brezplačne oglede znamenitosti ter muzejev. S kartico Julijske Alpe spodbujamo trajnostno mobilnost znotraj Biosfernega območja Julijskih Alp in manj obremenjujemo krvko alpsko okolje. Kartica namreč omogoča brezplačne avtobusne prevoze in prevoze z vlakom med destinacijami Julijskih Alp, zato spodbuja trajnostno mobilnost in razširja možnosti za raziskovanje širšega območja izven območja nastanitve. Parkiranje na številnih parkiriščih je za imetnika kartice brezplačno, kakor tudi transferji do izletniških točk, znamenitosti in izhodišč za pohodniške ter planinske poti.

The most practical and affordable way of exploring the Julian Alps Biosphere Reserve is by using the Julian Alps Cards for Bled, Bohinj, the Soča Valley and Radovljica. All four cards offer guests of these tourist destinations numerous benefits, discounts and free admission to various attractions and museums. The Julian Alps Card promotes sustainable mobility in the Julian Alps Biosphere Reserve with the aim of minimising the pressure on the fragile alpine environment. By offering free bus and train rides between various destinations in the Julian Alps, the card promotes sustainable mobility and enables visitors to extend their trips beyond the immediate area of their accommodation. Card holders are entitled to free parking in designated car parks and transfers to popular visitor spots, attractions and starting points for hiking and mountaineering trips.
